

Club Permit Scheme Application

This form should be completed alongside a Membership form. Once you have completed this form and agreed to the terms below, please hand the form to the Club Permit Scheme Officer at the time of presenting your car for inspection.

A current Victorian Roadworthy Certificate is required along with proof of ownership to join the scheme. Please note that cars that are significantly modified will be requested to present a current VASS certificate and will be considered on a case-by-case basis. Photos will be taken by the Club Permit Scheme Officer at time of inspection and will include front, rear, side, interior and engine bay view. These will be dated and filed on record as per VicRoads requirements.

There is an annual \$20.00 administration fee (per car) to participate in the club registration scheme payable to Eastside Cruisers. This is in addition to the normal annual club membership fee.

If your car is currently on the club permit scheme with another club and you wish to transfer the permit to Eastside Cruisers, no roadworthy is required to transfer the permit. However, it still needs to be inspected by our Club Permit Scheme Officer and approved by the committee.

Applicant Agreement

By signing this form, the Applicant agrees to adhere to all of Eastside Cruiser's Club Permit guidelines, as well as all Club Permit Scheme rules as dictated by VicRoads. Primarily this includes the club's requirement that the vehicle attends at least two events per year, is sighted by a committee member and that you drive responsibly whilst you are out in the vehicle covered by Club Permit Scheme.

IMPORTANT: it is strongly advised that you discuss your intent to submit a car for the Club Permit Scheme with the Club Permit Scheme Officer for advice before submitting your forms.
