

## INFORMATION SHEET

The Eastside Cruisers are an all makes and models car club based in Melbourne's outer-eastern suburbs. The club caters for owners of vehicles ranging from 'neat streeters', to drag cars, circuit cars, daily drivers & everything in between. It's all about getting the cars out and having fun with fellow car enthusiasts, with a friendly easy-going atmosphere.

Our official club meetings are held on the 4<sup>th</sup> Tuesday of each month (excluding December), at the Ferntree Gully Reserve club rooms (also known as Wally Tew Reserve) at 8pm. Enter off Glenfern Rd (Melways Ref 74 B5).

We hold a large variety of events to provide something of interest to everyone- from drag racing to dyno days, to drive-in movie nights, mystery runs, show 'n' shine display days, go-kart days, scenic day cruises, night time cruises, photo shoots, weekends away and Christmas parties. In addition we also attend many large and small annual car events & shows as a club (such as Springnats, Summernats, Performance Car Mania, etc). From time to time we also interact with other car clubs in a variety of inter-club events.

To become a member you must possess a genuine interest & passion for car related activities, fill out the required Membership form, and pay an annual membership fee. Members then receive a club key ring, discounts from sponsors, plus newsletters every 2<sup>nd</sup> month (6 per year). At various events members also get to compete for trophies (and bragging rights!). Other benefits include organised runs, use of the club BBQ, use of the club marquee at major events, subsidised meals at events such as the annual Birthday and Christmas Parties and access to member's only events such as DECA Skidpan days. Plus all the great contacts and advice that come with a club environment. Members are eligible and encouraged to participate in any calendared club event under the club banner.

Whilst representing the club, members are expected to drive in a safe manner at all times. Inappropriate behaviour will not be tolerated (there is a right time and place for everything, so save the 'hooning' for an appropriate event).
